

Davis Family Vineyards

2003 Cabernet Sauvignon, Napa Valley

We have made this wine every year since our first release in 1997.

It is a blend of 2 special Napa Vineyards, both 100% Cabernet Sauvignon. One of the vineyards, the Wight Vineyard, has been a staple in the blend every single vintage. That vineyard is located in the foothills of the Mayacamas Mtns in the middle of the Napa Valley between the towns of St. Helena and Rutherford – it brings a rich red current and wonderful spice to the wine each and every year.

The other component comes from Stagecoach Vineyard. We get all of the steep Block 13 at the 2200 foot summit overlooking Napa Valley. This rocky piece of Mountain Cabernet adds a dense, concentrated black cherry intensity that is highlighted by cocoa and coffee notes...very dark, deep aromas and flavors. Both are spectacular wines while in the barrels as separate lots – but always better and even more expressive as a combination when blended in just the right proportion.

Again as you see these tasting notes and smell and taste the wine you will be able to pick out the individual characteristics of each and also enjoy the harmony of the blend. My wife Judy's family has a long standing tradition of Prime Rib as Christmas dinner, so there is always plenty of Cabernet on the table as an accompaniment to the meal as well as plenty for the chef – that's me. Thank you again for all your support and feedback over the past year and may your Holidays be healthy and happy and filled with great food and wine all centered around your Friends and Family!
